MISSION

The NJYHL is a group of youth hockey associations that are committed to serving the needs of our players and families above all other considerations. Our athletes are our bottom line.

The NJYHL is the Atlantic Amateur Hockey Association (AAHA) sanctioned Tier II league operating in the state of New Jersey. Our member teams have a clear and well-established path to compete at AAHA and National tournaments.

The NJYHL is a non-profit, grassroots league that minimizes our overhead cost and invests our members' league fees back into our players through jamborees, league playoffs, and other events. We seek to keep youth hockey affordable for as many families as possible while still offering a high-quality experience.

The NJYHL has been in continuous existence for over forty years. Our knowledge and experience, along with the well-established and respectful rapport among our member associations, allow us to operate efficiently.

The NJYHL is run by volunteers who understand the hockey landscape locally and nationally. Many league and member association leaders also hold positions in the Atlantic District and with USA Hockey, and as such they have many opportunities to speak with a wide range of hockey professionals, understand current best practices within our sport, and plan for upcoming changes.

The NJYHL is a New Jersey-based league. We offer our membership good competition within a reasonable travel distance.

The NJYHL makes decisions by consensus and every member association – and by extension, every family – has a voice. We share a respectful understanding that each member association has different needs, strengths, and challenges and we are committed to working together to do what is best for our league, our member associations, and ultimately our players and families.

The NJYHL believes that our member associations should have flexibility and autonomy so they can best serve the needs of their players and families. We seek to provide our teams with a robust league schedule while leaving room for them to take advantage of other opportunities such as supplemental leagues and tournaments of their choosing.

The NJYHL is inclusive. We welcome new members, promote the growth of our sport across the state, and understand that the strength of our league depends on the success of our member associations.

The NJYHL views our players as individuals with needs, interests, obligations, and talents that transcend hockey. We understand that our student-athletes need time away from the rink to focus on academics, strengthen relationships with family and friends, and explore other sports and non-athletic interests.

The NJYHL believes that rankings and tournament eligibility should be decided on the ice. We play a balanced schedule that ensures a level playing field among our teams.

Article III: Membership

Any Association registered with USA Hockey shall be entitled to membership upon meeting the requirements as set forth in these Bylaws.

Membership shall entitle each Association to have one “Voting Delegate” on the Board of Directors (hereinafter, the “Board”). Voting Delegates should be an Association President or Coaching Director, or other decision-makers from the Association. If the Voting Delegate is unable to attend a meeting, Associations may designate an alternate Voting Delegate to attend with advance notice to the Secretary. The Voting Delegate must be named by May 1st on the

Annual Contact List Update form and will serve in that capacity until the next annual meeting. No individual serving in more than one capacity shall be entitled to more than one vote.

All member Associations shall be assessed the appropriate fees necessary to operate the League. Each member Association shall maintain an escrow balance of \$1,000. Membership shall be automatically renewed each year. Any Association wishing to leave the League shall notify the League in writing prior to February 1st. That Association is excluded from voting at the NJYHL Annual Meeting. Upon receipt of the request, all remaining escrow funds will be refunded to the Association. Any existing member Association may, with prior Executive Board approval, withdraw from League participation for up to two seasons with written notification to the League prior to February 1st. Membership dormancy begins the first day of the next season following the February 1st notification. During this period of dormancy, all rights accorded to the Association as a league member are suspended. The NJYHL retains the escrow until such time the Association notifies the League in writing that they are leaving the League. The Board may impose any conditions for reactivation it deems appropriate. The Association starting a dormancy period is not eligible to vote at the upcoming Annual meeting.

The following schedule of payments covers all fees due to the League for the upcoming season (season is defined herein). Additional charges might be incurred for optional purchases of materials or fines/penalties incurred during the season. No additional fees will be assessed for playoffs or Affiliate Tournaments.

Payments due August 15th:

- Annual league membership fee – all Associations - \$650 per Association
- Team fees – for all teams 10U and higher - \$475 per team
- Team fees – for all teams 8U - \$325 per team

Each member will submit an annual “Organizational Questionnaire” by May 1st of each year and shall provide notice to the NJYHL Executive Board of the occurrence of any event constituting a change in control as promptly as practical.

Any Association having an outstanding balance (team fees, fines, etc.) for thirty (30) days or more following publication of the Treasurer’s report or who fails to have a representative at fifty percent (50%) or more of the League’s Board meetings will be considered on probation for the remainder of the current season. An Association placed on probation will result in the loss of eligibility for NJYHL playoffs, AAHA Affiliate Championships and USA Hockey National Championship for that year and is ineligible to vote at any NJYHL Board Meeting. This may be appealed to the Executive Board (defined herein) in accordance with USA Hockey rules governing Appeals.

A member Association may not change its name, logo, home rink and/or team colors unless it is approved by a simple majority vote of the Board at the Winter Meeting. Notice to make a change should be sent to the Executive Vice President in writing 30 days prior to the Winter meeting.

There can be only one NJYHL member Association per home rink facility. Home rink facility is defined as the rink where a current NJYHL member Association plays a majority of its games. The only exception to this rule will be with the express written consent of the current NJYHL member Association playing at the facility in question agreeing to share the home rink facility with another NJYHL member Association. If a current NJYHL member is displaced by an applicant to the NJYHL, that applicant must wait three years from the date of displacement before applying for membership to the NJYHL. If one NJYHL member is displaced by another NJYHL member requesting to change its home rink affiliation, the NJYHL member displacing the other NJYHL member shall be suspended from the NJYHL for a period of no less than three years from the date of the displacement.

At the start of each playing season, the League shall publish the Constitution and Bylaws and the Rules and Regulations of the League (otherwise known as the NJYHL Guidebook).

Each member Association must submit a USA Hockey roster for each of its teams in accordance with the Rules and Regulations. All teams within an Association that participate in the NJYHL must be USA Hockey registered, and it is recommended that any Association teams that do not participate in the NJYHL also register with USA Hockey. The Executive Board will have the right to request evidence that any Association fielding a team(s) outside of the USA Hockey umbrella is following the requirements set forth in the USA Hockey Annual Guide.

Any member Association shall be subject to forfeiture of its membership for, but not limited to, the following:

- A. Failure to comply with the Constitution and Bylaws and the Rules and Regulations of the League, USA Hockey, or the USA Hockey affiliate having jurisdiction over the member Association.
- B. Failure to meet its League obligations.
- C. Actions deemed detrimental to hockey and/or the League.

Any officer or member Association may petition the Board to expel an alleged offending member Association at the Annual Meeting or at any regular meeting after the Annual Meeting but prior to the commencement of the playing season. However, before the Board may act on such petition, the alleged offending member shall be given written notification via email at least fifteen (15) days prior to the meeting at which the petition shall be acted upon. The alleged offending member Association shall have the right to be heard at such meeting and to present any evidence

or information it deems pertinent. A two-thirds majority vote of the Board present at the NJYHL Board Meeting shall be required for the expulsion of a member Association under this provision.

At the start of each season, all member Associations and their coaches, managers, governing bodies, etc. must follow all USA Hockey requirements including background screening, Safe Sport certification, etc.

Under special circumstances, an addition, deletion or amendment to the Rules and Regulations may be proposed at any other meeting. The Executive Board has the final say if the special circumstances warrant a vote by the Board on the proposed special circumstance. If it does, a two-thirds majority vote of the eligible member Associations in attendance is required to effect the change.

Article XI: Tampering and Player Movement Between Member Associations

The League, as a matter of policy, frowns upon the direct solicitation and/or contact of players, especially those solicitations carrying tangible and intangible inducements to change Associations. All officers and individuals associated with the League or one of its member Associations shall respect the integrity and role of each other member Association and shall not perform any activity that would demean and be injurious to another member Association, thereby weakening the entire League. The League will follow the Tampering Rules set forth by the Atlantic Amateur Hockey Association and USA Hockey and notwithstanding the foregoing no player may change Associations after being added to the Approved USA Hockey roster and playing one League game without the mutual consent of both Associations involved.

Article XII: Parliamentary Authority

The rules as contained in "Robert's Rules of Order -- Revised" shall govern the League and the Board in all cases to which they are applicable and in which they are not inconsistent with these By-Laws.

Article XIII: Dissolution of the League

The method of distribution of assets upon dissolution will be set forth in the by-laws of the Corporation. On dissolution, after payments of all debts, no part of the remaining assets may be distributed to any trustee, member, or officer of the Corporation. Upon the dissolution, assets shall be distributed for one or more exempt purposes within the meaning of Section 501 (c)(3) of the Internal Revenue Code or corresponding section of any future tax code or shall be distributed to the federal government or top state or local government, for a public purpose. Any such assets not disposed of shall be disposed of by the Court of Common Pleas of the county in which the principal office of the Association is then located, exclusively for such purposes or to such Association or Associations, as said Court shall determine, which are organized and operated exclusively for such purposes.

RULES AND REGULATIONS

Team Classification

1. Classification is determined by the birth year of the player in which the team is registered. The birth-year classifications can be found in the USA Hockey Annual Guide.
2. A 10U player is permitted to play “up” to 12U, and 14U-16U player is permitted to play 'up' in the next age division if the player starts the season there in accordance with AAHA rules. 12U players are not permitted to play “up” to 14U at any time in accordance with AAHA rules. 8U players are not permitted to play up at any time unless in accordance with AAHA roster waiver rules. However, once the player plays more than three (3) League games in that classification, the player cannot be moved down to their birth year classification. If a player is playing in the correct age classification, the player can be moved 'up' to the next age classification only after being evaluated by the Association’s Hockey/Coaching Director. Additional information regarding player movement is listed herein under Team Registration and Rostering.
3. The League will operate Tier II playing divisions at the 6U, 8U, 10U, 12U, 13O, 14U,15O, 16U and 18U levels as appropriate. The “AA”, “A” and “B” divisions will be competitive with teams able to qualify for NJYHL Playoffs, Affiliate Playoffs, and National Championships as appropriate. At the 6U, 8U, 10U, 12U, 13O, 14U “A” and “B” levels the league may conduct a jamboree or pre-season schedule and place teams in appropriate divisions based on skill and geography. It is understood that 13O and 15O are not official competition levels at Tier II. Teams fielded at these levels are considered 14U and 16U respectively. Teams declared at 13O and 15O will not advance to post-season play beyond NJYHL playoffs.
4. There must be a minimum of four teams in a division for league competition.
5. Any Association may field teams in the “AA”, “A” or “B” divisions of an age classification. Any Association that declares three (3) or more teams in the NJYHL at any single age classification level must declare one of those teams at the “AA” or “A” level and the remaining teams should be placed at their level of competitiveness - either “AA”, “A” or “B”.
6. Member Associations must make team commitments electronically in May. Declarations will be considered final on May 1st. Any team withdrawing once regular season scheduling has

commenced for that competition level is subject to a \$1,000 fine.

7. The Competition Committee reserves the right to question the viability of any team once the final declarations have been made. Upon request, Associations may need to submit one or more of the following: rosters, signed player contracts, previous team affiliations (as applicable), or any other documentation which provides proof of viability/sustainability. Should the documentation fail to provide sufficient evidence of viability, the Competition Committee has the right to recommend denial of the declaration to the Executive Board. An Association may appeal the placement of any team(s) to the Executive Board. A detailed explanation must be included with the appeal request. Dates for submission of team placement appeals will be published annually by the Competition Committee.
8. Each coach and Association are responsible to check the age of each player on their team to confirm they are not over-aged.

Team Registration and Rostering

1. All teams must submit a USA Hockey Team roster to the Affiliate Registrar for approval before playing any games. Any changes made in the USA Hockey roster before the December 31 cut-off date must be sent to the Affiliate Registrar as a supplemental roster. The USA Hockey roster plus all changes made will be considered the final roster as of December 31. No player changes may be made to the rosters after December 31 of the current playing season for any reason whatsoever.
2. All players, coaches, managers, and volunteers must be properly registered and rostered with USA Hockey for the current season, which may include a valid SafeSport certification, background screening, and current CEP level (for coaches) for the team to compete in the NJYHL. Appropriate fines shall be assessed at the discretion of the NJYHL Commissioner for any missing or incomplete documentation.
3. Each Association must submit each team's Approved USA Hockey roster in GameSheet before each team's first League game. (Note: Organizations should populate each team's roster in GameSheet by linking to their USA Hockey Roster rather than entering the rosters manually to ensure consistency and make sure player information is carried forward from one season to the next.) This rule will not be applied retroactively to teams that have manually uploaded their 2024-2025 rosters to GameSheet, though it is highly recommend that manually uploaded rosters be removed and replaced with the teams' USA Hockey Roster.

4. A maximum of twenty (20) players (with a maximum of 18 skaters) are permitted on each team roster in accordance with USA Hockey registration rules.
5. The USA Hockey roster for all teams must show a minimum of ten (10) players for 10U and 12U and twelve (12) players for 14U, 16U, and 18U. At least one, and no more than two, of these players must be a goaltender. This may be waived by written appeal to the Commissioner.
6. Rosters for teams of probationary Associations must be received by the NJYHL and AAHA Registrars by July 15 of the current playing season or within 10 calendar days of the availability of the USA Hockey registry system, whichever comes first. Rosters must comply with the guidelines under By-Law IV, Section G.
7. The NJYHL recommends that all member Associations have each player and their parent or guardian execute, as a part of its player contract, an agreement that clearly states that the parent or guardian is aware of and understands the specific obligation of that player to the Association.
8. A player cannot compete in the league if the player is also rostered on a Tier I youth team at the same time. Special circumstances will be reviewed on an individual basis by the Commissioner.
9. An Association may move one player per age level who is rostered on a Tier I youth team prior to October 16th (10U, 12U, 13O, 14U) or September 16th (15O, 16U, 18U) to a Tier II youth team. If an Association wishes to move more than one player per level or a player at any level after the above-referenced dates, they must receive prior approval from the Commissioner before the player can be moved. At no point can a player be rostered on a Tier I roster and an NJYHL roster at the same time. If an NJYHL rostered player plays more than four (4) games in a season at Tier I, that player is no longer eligible to participate in NJYHL games or advance to post-season play with the NJYHL team.
10. An Association may move one player per age level within their Association who is rostered on a Tier II youth "AA" team prior to October 16th (10U, 12U, 14U) or September 16th (16U, 18U) to a Tier II youth "A" team. If an Association wishes to move more than one player per level or a player at any level after the above dates, it requires the approval of the Commissioner before the player can be moved. The same rule shall apply to move an "A" level player to a "B" level team.
11. A 16U/18U rostered player may play on a Junior or Tier I team for a maximum of four (4) games in a season. The player must be dropped from the NJYHL team's approved USA Hockey roster to be added to the Junior or Tier I team roster. If the NJYHL rostered player

plays more than four (4) games in a season with the Junior or Tier I team, that player becomes ineligible for continued participation on the NJYHL roster and must be removed. This ineligibility also applies to NJYHL post-season play, including playoffs and advancement to AAHA Districts or Nationals with the NJYHL team. If the player participates in less than four (4) Junior or Tier I games, they will be considered a member of the team where they are rostered as of 12/31.

12. Any player who starts the season rostered on a junior team cannot be moved to an NJYHL roster without prior written permission from the Commissioner. Prior to September 16th, the Association must submit a written request to the Commissioner requesting permission to add the player to their roster. This request must include an explanation that describes the purpose of the roster move. At no point can a player be on a Junior roster and an NJYHL roster at the same time.
13. At the 130 and 150 levels, teams will be permitted to roster up to two (2) overaged players. In other words, a 130 roster can include up to two (2) 14-year-olds, and a 150 roster can include up to two (2) 16-year-olds.
14. A player may not be rostered on more than one team in the NJYHL.
15. All Member Associations are required to enter their top Tier II team, up to and including any "AA" team(s), at every level in this League. If an Association desires to place its "A" and/or "B" teams in the NJYHL, it must also place all "AA" teams in the NJYHL. The NJYHL must be the primary league for each individual team participating in the League with its pathway to AAHA post-season play via the NJYHL. This rule is not intended to restrict participation in any other leagues, showcases, tournaments, non-league games, or supplemental scheduling partnerships.
16. Goaltender movement
 - A. Goaltenders shall not be permitted to play down a level. Under certain circumstances with the express consent of the Commissioner, a goaltender may be permitted to play down. A possible forfeit may apply with no fine.
 - B. All goaltending moves must be submitted on the Goaltending Coverage form found on the NJYHL website prior to the game being played.
 - C. All approved goaltender roster moves must be made in GameSheet PRIOR to the game being played. Failure to do so may result in a \$50 fine per occurrence.
 - D. Guidance
 1. A goaltender may be used from the same age division or immediately below in the same Association (except AA).
 2. A goaltender may be used from any other NJYHL, including the opposing team,

at the same level or the age group immediately below.

3. 13O Level. A substitute goaltender may be used from a 14U (except 14U-AA) team. If there is no age-appropriate goaltender available, the substitute must come from a 12 U Level.

17. Player movement

- A. Players shall not be permitted to play down a level. Under certain circumstances, with the express consent of the Commissioner, a player may be permitted to play down. A possible forfeit may apply with no fine.
- B. All player moves must be submitted on the Player Substitution form found on the NJYHL website and approved by the Commissioner prior to the game being played.
- C. All approved roster moves must be made in GameSheet PRIOR to the game being played. Failure to do so will result in a \$50.00 fine to the offending team for each offense.
- D. No moves are permitted after December 31st of the playing season. Extenuating circumstances will be reviewed by the Commissioner. Emergency goaltenders are exempt from this rule.

18. All players are free to try out for any team or Association 48 hours after either the AAHA Affiliate Tournament (for players at the 8U, 10U and 12U levels) or USA Hockey's National Youth Tournament (for players at the 14U, 16U and 18U levels) in accordance with AAHA posted tryout dates. After a player commitment contract is signed, there will be no player movement without a written release from that Association. Any player/family who signs an Association registration form and/or makes a financial commitment to an Association must play with that Association for the balance of the season in the absence of extenuating circumstances such as a relocation. The League Registrar must verify the release. No release will be considered granted until after the League Registrar verifies it.

19. A player who obtains a written release from an Association (which requires honoring the financial commitment to the initially contracted Association) may accept a roster spot with a new Association and immediately begin participating in NJYHL games. Should a player not be able to obtain a release from the initial Association, the player shall have the right to appeal to the Executive Board, whose decision shall be binding. As a matter of course, the NJYHL is not a party to a player contract and cannot alter the financial obligations stated in that player contract.

20. Only those players whose names appear on an approved USA Hockey roster URL that has been uploaded in GameSheet, may participate in League games. The first offense of this

rule shall result in the forfeit of the game and a fine of \$1,000 assessed to the offending team. A second offense of this rule shall result in the immediate suspension of that team from league play for the remainder of the season. All games scheduled with that team, played or unplayed, shall be declared forfeits. Other teams in the division will have the option of whether to honor any remaining scheduled games with the offending team. Each forfeit carries a fine of \$1,000.

21. There shall be no appeal of forfeitures that are awarded because of registration and/or rostering violations.

League Schedule

1. The regular season will begin and end at the discretion of the Administrative Vice President with the approval of the Executive and will comply with AAHA Affiliate Tournament constraints.
2. The League schedule for 14U-AA, 16U and 18U will start no earlier than August 15th and no later than September 1st. It is anticipated that these levels will participate in an abbreviated season to avoid conflict with the New Jersey High School season. Teams have the option of playing a longer season if the schedule can be arranged.
3. Official League games may be played earlier than the official start of the League season between mutually consenting teams, provided that these teams have been properly registered and rostered according to League rules and are following AAHA 6U/8U Guidelines for the 8U level.
4. The following shall be performed under the supervision of the Administrative Vice President-Master Scheduler:
 - A. Scheduling of League Games
 - B. The method of scheduling and the number of league games to be played in each division.
 - C. The setting up of divisions for scheduling purposes.
 - D. During the 2024-2025 season there should be no more than a total of 30 required Preseason-Regular Season Games involving NJYHL-MAHA Teams.
5. All League games (including 8U games) must be scheduled (and/or subsequently rescheduled) by the Association's designated master scheduler. Once games are

scheduled, Associations are responsible for entering their home games and rosters into GameSheet. The Administrative Vice President-Master Scheduler will provide appropriate usernames and passwords.

- A. Schedules and rosters for each team not input into the system prior to the established deadlines will be subject to a \$200 fine.
 - B. As a matter of policy, once the schedules are uploaded, League games should be honored as scheduled and changes limited to unusual or extraordinary circumstances.
 - C. Any changes after the date published by the Administrative Vice President will result in a \$100 administrative fine to the initiating team.
6. Associations must be prepared with adequate ice times to accommodate the League schedule. Games must be played at reasonable hours of the day and are subject to the approval of the Administrative Vice President. Games shall not start prior to 7:00 am and not later than 9:00 pm. This may be waived if both teams mutually consent.
7. Any team wishing to change a scheduled game may do so only with the consent of the scheduled opponent and Administrative Vice President.
- A. All changes must be made at least seven (7) days prior to the scheduled game except in the event of extraordinary circumstances. Extraordinary circumstances are considered automobile accidents, hazardous road conditions, loss of ice due to equipment failure at the rink, etc. In these cases, the game may be postponed at any time up to game time. (Failure to appear at the appropriate time as shown on the League Master Schedule is not an extraordinary circumstance.) A game being changed due to extraordinary circumstances must be rescheduled within seven (7) days of the event by the Association's master scheduler.
 - B. The home team shall notify the Administrative Vice President-Master Scheduler of this change, allowing sufficient time for the rescheduling of officials and to avoid undue financial losses or unnecessary travel on the part of the other team. If the home team fails to properly notify the Administrative Vice President-Master Scheduler prior to the date the game was originally scheduled, the game shall be considered a forfeit for the home team and a fine of \$1,000 will be assessed to the home team.
 - C. Any arbitration of last-minute cancellations will be handled by the Commissioner
8. It is the policy of the League that the entire schedule be played. If in the opinion of the Administrative Vice President, final League standings may be severely affected by unplayed games, the AVP may decide what additional course of action will be taken to allow for an

equitable determination of League winners or playoff contenders. The Administrative Vice President may seek an opinion from the Competition Committee.

9. Any team refusing to complete the official League and/or MAHA schedule as maintained by the Administrative Vice President-Master Scheduler will forfeit its right to represent the NJYHL in Affiliate Tournament play.
 - A. The team will be fined \$1,000 for each game involved, in addition to any other fines which may be imposed. There shall be no appeal of this rule.
 - B. The team and the member Association it represents will be suspended from League play for one year. This suspension may be appealed to the Board for review.

10. Any team acting as an NJYHL representative to Affiliate and/or USA Hockey tournaments must have completed its full schedule of League and MAHA games (When Applicable). The Commissioner, under extenuating circumstances, may waive this rule. If an Affiliate-bound team is involved in a forfeit and is not the offending team, the forfeit stands.

11. When any team, home or away, fails to appear for a scheduled League or MAHA game (or appears with fewer than the minimum number of players as set forth herein) and where there are no extraordinary circumstances (defined herein), a forfeit win shall be awarded the non-offending team and the offending team shall be subject to a fine of \$1,000. Money from this fine may be used to cover expenses incurred by the non-offending team at the discretion of the Commissioner.
 - A. If the non-offending team prefers to play the game, it may be rescheduled at the convenience of the non-offending team and at the expense (ice time and officials) of the offending team. This amount must be received by the non-offending team prior to the start of the game. If it is not, the game will remain a forfeit and the non-offending team shall no longer be responsible to play the game.
 - B. Games awarded to a team by forfeit may be appealed by the penalized team to the Executive Board. The Executive Board will adjudge the matter within seven (7) days and its decision shall be final. There is no fee for this appeal.

Regular League Games

1. The home team is responsible for providing sufficient ice time and the necessary facilities for playing the game. Ice time shall be assigned as follows per division:

Level	Period Length	Recommended Ice Slot Length
6U/8U	Refer to AAHA Guidelines	60 minutes
10U	15 minutes stop time	75 minutes
12U	15 minutes stop time	75 minutes
14U	16 minutes stop time	90 minutes
16U/18U*	17 minutes stop time	90 minutes

*Updated to align with USA Hockey rule change

2. League games may not be played on an undersized rink.
3. To expedite the game, there must be a 3-minute warm-up period before the game and a one-minute rest between each period.
4. To be an official League game, two full periods must be played. The third period may be shortened if necessary to complete the game during the assigned ice slot; however, it must be played stop time. Running time is not allowed under this circumstance. The reason for shortening the game must be beyond the control of the team involved. The officials shall determine the time of the shortened period. As a rule of thumb, the time length of the period shall be one-half of the time remaining in the ice slot. Once the period has begun, the time cannot be changed.
5. Running time is required after two periods when there is an 8-goal differential. If at the end of the second period, or at any time in the third period, one team shall reach a ten (10) goal advantage in the score, the game shall be considered ended.
6. If a game is suspended for any reason and must be resumed to be considered a complete game, it is resumed from the point it was left off (i.e., Period 2 – 10:15 on the clock) with the same roster.

7. If, in the opinion of the Commissioner, based on the official's report, a player, coach or another team official intentionally causes a game to be suspended prior to the completion of the second period or intentionally causes a game not to be completed, the Commissioner may declare the game a forfeit to the opposing team with no fine.
8. At the 12U, 13O, 15O, 14U, 16U, and 18U levels - if an NJYHL game is tied at the end of regulation (unless the game has been shortened by the NJYHL rule), the teams will play one three-minute 3v3 sudden death overtime. The winning team receives one (1) additional point for two (2) points total for an OT win. The losing team receives one (1) point for an OT loss. Teams take a one-minute rest and do not switch ends. This OT format is recommended for non-league games.
9. All players must wear matching uniforms properly numbered. Uniform numbers must match the list on the scoresheet and in the GameSheet system. It is the responsibility of the home team to avoid conflict in jersey color.
10. Players must wear all equipment as specified by USA Hockey. Any player on the team bench or penalty box areas must always wear a helmet with a full-face cage or bubble.
11. In accordance with USA Hockey rule 201, a team must start a game with a minimum of six (6) players. Any time that a team has been reduced to less than four players, the game shall be declared a forfeit.
 - A. A maximum of 20 players, of which not more than 18 are skaters, shall be permitted to play in a game.
 - B. Each team shall designate a Head Coach on the score sheet prior to the start of the game. The Head Coach shall be in control of and responsible for the actions of all team personnel, including players.
 - C. A team may have up to four properly rostered coaches on the bench.
 - D. Only players in uniform and properly rostered coaches may occupy the bench.
 - E. If at any time during the game, through penalties, illness or any other reason, there are no coaches on the bench to be in control of and responsible for the team, the game shall continue provided there is adult supervision on the bench. If no adult supervision is available, the referee shall suspend the game and submit a report.
 - F. The forfeit may be appealed to the Commissioner in the event of extraordinary circumstances (defined herein).
12. It is the responsibility of the home team to provide knowledgeable timekeepers and scorekeepers. The visiting team is entitled to have a representative at the scorer's table.
13. It is recommended that all non-league games played between NJYHL teams follow the same

rules and regulations as agreed in League games.

Penalties

The penalties listed in the USA Hockey Rules shall apply except as specifically amended by the League in these rules.

1. The following are the penalty times in minutes for each type of infraction according to division. The USA Hockey Progressive penalty rule also applies to the below as applicable:

PENALTY TYPE	6U/8U	10U/12U/14U	16U/18U	
Minor Penalty	See AAHA Guidelines For Details	1:30 min.	2:00 min.	
Major Penalty		4:00 min.	5:00 min.	
Misconduct Penalty		8:00 min.	10:00 min.	Not posted on game clock
Game Misconduct		8:00 min.	10:00 min.	Removal from game
Match Penalty		8:00 min.	10:00 min.	Removal from game

2. Any head coach whose team incurs 12 penalties or a player who receives 4 penalties in any game will result in the head coach/player being suspended from the next scheduled game. The head coach does not receive a Game Misconduct on the scoresheet and does not leave the bench. A player who receives 4 penalties receives a Game Misconduct penalty on the score sheet and must leave the bench at that time. The player's Game Misconduct is counted as one of the possible 12 penalties for the head coach.
3. The Head coach of a team receiving 12 or more penalties in a single game during the season:
 - A. First and Second Infraction: 1 game suspension
 - B. Third infraction: Additional 3 game suspension.
 - C. After the third infraction, if the team receives 12 penalties in a game, the Commissioner will review for further disciplinary action.
4. If a player, coach or other team official receives a Match Penalty, they are automatically suspended from all USA Hockey activities for 30 days or until the appropriate authority has made a ruling. Mike Lichtenberger VP- Protests, Suspensions & Appeals for the AAHA has instituted a minimum five (5) game suspensions for all match penalties. Upon assessment of a Match Penalty, the offending team must complete the online Suspension form as soon as possible following the end of the game. It is the offending team's responsibility to notify the Commissioner. Failure to notify the Commissioner will result in a (30) day suspension from play for the player/coach/team official and a \$500.00 fine

for the offending Association.

- Any player receiving a fighting penalty (automatic game misconduct) shall receive the following suspension. The USA Hockey Progressive penalty rule also applies where applicable:

Level	First Infraction	Second Infraction	Third Infraction
6U/8U	To be reviewed and ruled upon by Commissioner		
10U/12U	1 game suspension	3 game suspension and automatic review by Commissioner	Suspension for the balance of the season
14U/16U/18U	2 game suspension	5 game suspension and automatic review by Commissioner	Suspension for the balance of the season

- Upon assessment of a Fighting Penalty, the offending team must complete the online Suspension form as soon as possible following the end of the game and must notify the Commissioner. Failure to notify the Commissioner will result in a (30) day suspension from play for the player/coach/team official and a \$500.00 fine for the Association.
- The penalty for a “third” (3rd) man in” is the same as a fight and has the same progressive penalties as the fighting penalties. A prior 3rd man in penalty will enhance a subsequent fighting penalty. The penalty will be the same as a second or third or subsequent fighting penalty.
- Any player, coach, or other team officials who use hurtful language are subject to discipline in accordance with AAHA and USA Hockey rules. During a game, any coach or other team official who leaves the bench and goes on the ice for any reason, except in the case of an injured player, shall be ejected from the game and shall receive a three (3) game suspension.
- Any coach or other team official who, in the opinion of the official, is detected encouraging his players to violent action or condoning such actions shall be ejected from the game and shall be suspended for a minimum of five (5) games.
- Any coach, player, or other team official placing his hands on or otherwise touching an official is subject to discipline in accordance with AAHA and USA Hockey rules.
- When a player, coach or other team official receives a game misconduct or match penalty in an NJYHL game, that suspension must be served in the immediate subsequent League game(s). This is independent of any USA Hockey suspension incurred, although they may be served concurrently.

If the next scheduled game is non-league, the USA Hockey penalty must be served in that game with the League suspension being served in the next League game.

12. If the penalty is assessed at the end of the playing season, the suspension shall follow the player, coach, or other team officials into the start of the next season. It is the Association's and the player's responsibility to be transparent about serving this suspension. Rules regarding the playing of an ineligible player will apply if the player participates in a game in the following season without properly serving the suspension.
13. The League Statistician and the USA Hockey Officiating Incident Reporting system will monitor all penalties requiring suspensions. All penalties accrued in non-league games which require suspension must be reported to the Commissioner. Penalties accrued in non-league games which require a suspension of more than three (3) games must also be reported to the Commissioner. This reporting should be through the online form.
14. Any coach that uses an ineligible player (one who is not properly rostered, over-aged, or under suspension) in a game will result in the following maximum additional penalties being assessed:
 - Coach - ten (10) game suspension
 - Player - five (5) game suspension
 - The offending Association will be fined \$1,000 per game.
 - The offending team will forfeit each game in which the ineligible player participated.
15. Any player serving a suspension must not be in the playing area (Bench, Penalty Box, and Scorekeeper Area).
16. Any coach or team official who is ejected from a game or who is serving a suspension may not be in the area of the player's locker room or bench or in any way coach the team during a game while under suspension or ejection.
17. A coach receiving additional Game Misconducts in a League or non-League game in the same season will receive:
 - a second (2nd) Game Misconduct – 3 League games
 - a third (3rd) Game Misconduct – 5 League game
18. Any coach that receives three (3) or more game misconducts in a season, for whatever reason, is also subject to supplemental discipline assessed by the Commissioner. The Commissioner has the discretion to modify suspensions under these rules.
19. The Commissioner shall have the power to suspend any member Association, team, player or

team official for conduct detrimental to hockey, either on or off the ice. The president and coaching director of the Association shall be notified by the league of suspensions that involve any player or coach in their Association.

20. Only the Commissioner can reduce or increase a suspension. Game officials do not assess suspensions.

Protests and Appeals

The right of protest or appeal is granted to any player, coach or team official who receives a suspension involving more than three (3) games. The right of appeal is also granted to any Association or individual who is suspended under the Rule regarding Conduct detrimental to hockey. This appeal must be submitted in writing to the Commissioner and President within seventy-two (72) hours of notification of suspension. A copy of the score sheet must be included with the appeal if a game was involved. Protests regarding the use of an ineligible player may be made upon discovery and are not subject to the 72-hour rule. The review by the Executive Board will be performed within five (5) calendar days after receipt of the appeal. The filing must be accompanied by a \$250 fee, which shall be refunded if the decision is overturned. The decision of the Executive Board shall be final. Decisions by the Commissioner may only be overturned by a two-thirds majority vote of the Executive Board members.

Score Sheets

1. It is the responsibility of the home team to score each game using GameSheet. Every game must be uploaded to GameSheet within 6 hours of the conclusion of the game, before 11.59PM the day the game is played, or before either team plays their next League or MAHA game whichever is sooner.
